

Bar Packages & Open Bar Options

In addition to these packages we also offer open bar (hosted or cash) billed on consumption.

Our most popular offering is an open (hosted) bar billed on consumption with pre-selected wines by the bottle. We love to talk about our diverse wine list and welcome a discussion to match a beautiful wine with your authentic Italian event menu.

Our updated wine and beverage list, including our featured seasonal cocktails, is available on our website. We proudly serve Coca-Cola® products.
